

Accessing your Index Fund Advisors, Inc. (IFA) reports has never been easier.

IFAReportAccess, is a website designed to provide you with convenient, secure and environmentally friendly access to the following account reports and documents:

- Performance Reports
- Invoices
- Cashflow Reports
- Contributions Reports
- Withdrawal Reports
- Transaction Reports
- Portfolio Allocation Reports
- Income Reports
- IFA ADV Brochure
- Privacy Policy Statements

Note: Your custodian's monthly account statement will not be accessible through ReportAccess

Convenient

ReportAccess provides 24/7 access and faster delivery of your IFA account reports as well as on-demand access to important IFA documents from any computer or mobile device. With ReportAccess, your reports are now delivered monthly and archived online – no need to store paperwork moving forward.

Secure

At IFA, client safety and protection is always a priority. The ReportAccess website employs the most advanced security features and protocols to keep your account information protected through individualized password requirements, timed logoff, firewall protection and the highest encryption (256-bit Secure Socket).

Environmentally Friendly

ReportAccess allows you to enroll in paperless delivery. Viewing account reports online, instead of receiving paper in the mail contributes towards the preservation of environment.
